MAY 12, 1928 – JULY 10, 2020

With heavy hearts, NSDAA announces the death of Howard E. Andress (92 Years old). Howard was born on May 12, 1928, in Alliance, Nebraska.

He entered Nebraska School for the Deaf on Oct. 4, 1937. He left May 31, 1947. His parents moved to Thornton, Colorado. He attended and graduated from Colorado School for the Deaf and Blind, Colorado Springs four years later. He eventually married a woman named Mary Ann, his wife of 66 years. He was widowed a few years ago.

Howard and Mary Ann grew a wonderful life together with three children Karen, Alan, and Derrick, eight grandchildren David, Jimmie, Stephanie, Natalie, Chris, Brandon, Zack and Tyler and ten great-grandchildren Matthew, Christian, Samantha, Jayden, Abigail, Joseph, Ayden, Vincent, Ellianna and Marley.

Howard was an avid outdoorsman who enjoyed camping, hunting, and fishing. He was also a huge sports fan who played several sports when he was younger and was a bowling champion in his prime.

Howard was the kind of Grandfather that always made his Grandchildren smile with his warmth and kind-heartedness.

Even though Howard is no longer with us and is finally with Mary Ann, he will always be remembered by his family and friends as a truly wonderful person.
