

# FUN FACTS ABOUT NEW YEAR

1. Setting off fireworks is a New Year's Eve tradition because it's said to scare off evil spirits. You don't want any evil spirits following you into the new year.
2. A ban on fireworks in 1907 is why we now watch a giant New Year's Eve ball drop.
3. Dick Clark was the original host of New Year's Rockin' Eve.
4. An estimated 32,256 LED lights light up the New Year's Eve ball.
5. There have been seven versions of the ball so far.
6. Eating black-eyed peas is good luck on New Year's Eve.
7. About 360 million glasses of champagne are consumed in the U.S. on New Year's Eve alone.

Cheers to a year in which every day is a new celebration of life. NSDAA wishes you a year ahead that's as bright and cheerful as a sunrise. Happy New Year!
