1. My first job at 14 was detasseling corn and riding my little motorcycle to work.

2. I bought cows and pigs, raised them, and sold them to make a profit.

3. I went on a boar hunting trip to Oklahoma with friend.

4. I love to do gardening, canning, hunting, and fishing.

5. After high school, I worked with John Whyrick and Bob Schiffbauer at Eliason & Knuth Drywall Company. It was a great experience. I worked for 38 years at that company. Now I am retired!

6. My wife Debra and I built our first home in 1984. We still live in the house.

7. I love to travel with my wife, family, and friends.

8. I loved skateboarding when I was young.

9. I rode in a horse barrel race at the county fair.

10. I did coon hunting.

11. I had a fun time riding my first dirt bike.

12. I bought a brand-new car, the 1979 Pinto, with my money when I was 16.

13. When I was a young teen, I raised a baby coyote and raccoon for a short time.

14. Debra, my wife, and I celebrated our 40th wedding anniversary this year.

15. I went on zip-lining with my wife and the girls. It was so much FUN!
