

DID YOU KNOW?

We had the students fingerspell a prayer in the dining room before we ate. I believe we began using American Sign Language (ASL) in the early 1970s, but the Nebraska Department of Education later banned it.

By Treasurer Debra Weyers, Class of 1979

Janis Jorgenson Theiler, Class of 1973, fingerspelled the prayer. The prayer sign was hung above the two doors where she was standing.

The prayer sign was a gift from the Class of 1957. Thanks for the sign.
